

Junior Frontend Developer

Rotger Gabriel

Profile

I am currently attending a 600-hour professional course with a 250-hour internship, focused on full-stack web development: HTML, CSS, JavaScript, PHP, MySQL, WordPress (CMS), and **UI/UX I am currently attending a 600-hour professional course with a 250-hour internship, focused on full-stack web development: HTML, CSS, JavaScript, PHP, MySQL, WordPress (CMS), and UI/UX design with Figma. I am training to be a modern web developer, with a particular interest in creating dynamic, accessible, and responsive interfaces.

These core skills (HTML, CSS, JavaScript) were previously solidified through the creation of personal projects, entirely managed with Git/GitHub methodology and available for online viewing.

Skills

Technical Skills:

- **Core Languages:** HTML, CSS, JavaScript
- **Frameworks & Libraries:** React.js (Basic Knowledge), Materialize.css
- **Backend & Database:** PHP, MySQL, SQL
- **CMS & Development Tools:** WordPress, Git, GitHub, NPM, VSCode, Figma, Notion

Soft Skills:

- **Focus and Debugging:** Ability to focus and persevere through prolonged tasks.
- **Planning and Organization:** Work organization (e.g., Notion) and disciplined application to projects.
- **Continuous Learning:** Constantly seeking new solutions to stay current in the development stack.
